E Mail Addresses and Postal Addresses:

If you receive the newsletters by post please inform the Secretary of any change to your postal address. If you receive the newsletter by email please notify the Secretary of any change to your email address.

The Committee believes that there still could be a considerable number of members who have an email address but still receive the newsletters by post. Where this is so and you are happy to receive the newsletter by email please inform the Secretary of your email address.

It may be that some members have sent their email addresses but for some reason the Academy did not receive them [this has happened three or four times over the past few years]. If this is the case and the newsletter continues to be sent by post please send in your email again.

The Committee would like to thank those members who have sent their email addresses to the Secretary since the last newsletter. Please note that the Society will never pass on any member’s contact details without the express permission of that member.

Duncan Roberts has been appointed as the new Principal of the Joyce Frankland Academy in succession to Gordon Farquhar. He writes the following about himself and his aspirations for the Academy.

Being the Principal of a secondary school was not necessarily my first goal when I embarked upon my career in education, over a decade ago. First and foremost, I was always hoping to top the bill on the Pyramid Stage at Glastonbury! Once that dream died I began exploring the
opportunities in teaching, my primary purpose was to engage with young people, particularly those who, for whatever reason, were disengaged with education and to inspire them to enjoy reading and writing. I wanted to motivate young people with Shakespeare, Blake, Dickens, Woolf and Naipaul.

Fast forward to September 2018 and my exciting journey as the 25th Principal of Joyce Frankland Academy, Newport, begins…

I grew up in Buckinghamshire in a family of four and enjoyed school life, particularly music and drama where I experienced at first-hand the power of extra-curricular activities and how it can motivate our dreams and ambitions. I read English literature at Queen Mary, University of London and, after graduating with an Upper Second-Class Honours, I worked for an education charity in Tower Hamlets, working with young people who had become completely disengaged with learning. This was challenging at times. However, without doubt, it was an experience which not only prepared me for a career in education but inspired me to enrol on a PGCE course at Goldsmiths, University of London, to teach secondary English.

After five years working in a brilliant school in Tower Hamlets, ‘learning the trade’, and becoming a fully qualified Advanced Skills Teacher, my wife and I decided to relocate with our one-year old son to Saffron Walden. I interviewed to become the Head of English at the then, Newport Free Grammar School which was where I first met my predecessor, Mr Gordon Farquhar. I immediately loved the school. Newport has a special atmosphere, created primarily, because of its rich heritage and transcendent cultural values. When Gordon contacted me later that day to offer me the post, I was absolutely delighted and could not wait to start my journey as a ‘Newportonian’.

Over the past six years since I first walked into the cloisters, the school has changed significantly. It has new buildings, a new name, a different logo to list but a few of the changes which have taken place. As I moved from being Head of English, to Vice Principal and now to Principal I am more excited about the future of the Academy than ever before. The Academy is improving on its overall academic performance year on year. For example, it has achieved some excellent post-16 progress over the past few years which compares well with all institutions both locally and nationally. We have more students applying to the school now than we have had in the past decade. The Staff are exceptionally dedicated, positive and passionate about the students’ success. Students are polite, ambitious and keen to discover new things every day. The road ahead will not be without some potholes; school funding for example is continuing to challenge us immensely. When Dame Joyce Frankland founded the school she did so ‘for the love [she] bore to learning’ as she stated in her will. This is still central to the ethos we aim to instil today, as we endeavour to create an environment where young people can have every opportunity to fulfil their potential and flourish in their futures.

Forthcoming Events

1. Saturday 5th October 2019: 17.00 Annual General Meeting at the School in room A4 [off the corridor opposite the main hall]. Please note that the AGM will start promptly at 17.00.
2. Saturday 5th October 2019: 18.00 for 18.30: Annual Dinner in the Main Hall at the School.

PLEASE NOTE THE EARLIER TIME.

The cost will be £27 per head. The menu is:- Classic Caesar Salad; Home-made Steak Pie; Meringue with Cream and Fruits; Cheese Board; Coffee and Tea. As usual no tickets will be issued. All money will be taken on the door on the night. **Therefore it is important that all those who complete the enclosed pro-forma to say they will attend do actually turn up on the night so that the Secretary can give accurate numbers to the caterer. It is also important that no one turns up on the night without first informing the Secretary of their intention to do so.** If you wish to attend, and the Committee hopes that as many ONs as possible will do so, please complete the pro-forma on page 8 and return it to the ON Society Secretary at the school as soon as possible but no later than Friday 27th September 2019. In recent years round tables have been used and those of a particular year are put on the same table. Particular seating requests can be made to the Secretary who will do his best to accommodate them. A vegetarian main course can be provided for anyone who requires it.

3. Sunday 26th January 2020, 9.30am: Church Service to Commemorate Foundress Day: This service has now become an established part of the ON Society calendar. It has always been strongly supported by members of the society, Newport PCC and those who attend St. Mary’s Church in Newport. The vicar of Newport, the Rev. Neil Mcleod is highly supportive of this service and very keen to get current members [staff and pupils] of the Academy involved. Further details will be given in the December 2019 newsletter when the date will be confirmed.

4. Friday 14th February 2020, 8.00pm onwards: Gathering of ONs at the Coach and Horses, Newport. It is always a thoroughly enjoyable occasion and worth making the effort to attend if only for a short time.

5. Saturday 26th April 2020: Annual Football, Hockey and Cross Country Matches against the School: The Football Match will start at 11.00 am and the Cross Country Match at 11.00 am. The men’s hockey match will start at 9.15 am and the women’s hockey match at 10.45 am.

6. Sunday 28th June 2020: 11.00am Annual Mixed Hockey Match v the School; 14.00pm the Annual Cricket match v the School:

Further information and confirmation of dates about all the sporting fixtures between the Academy and the ONs in 2020 will be given in the December 2019 Newsletter.

Reports and Results

**Sunday 27th January 2019: Church Service to Commemorate Foundress Day:** This was very well supported by ONs as well as the regular attenders at the 11.00am morning service at St. Mary’s Church, Newport. A group of Academy students were very much involved in the service. They contributed to some of the musical parts, when they sang beautifully, and also presented a historical drama about how the Academy was founded by Dame Joyce Frankland and how it has developed over four centuries. At the end of the service the President, Chris Szaj, presented a cheque for £100 to the Vicar, the Rev Neil McLeod, as a contribution by the O.N. Society towards the refurbishment of the graveyard.

**Friday 15th February 2019: Gathering of ONs at the Coach and Horses, Newport**

Although only a few ONs were able to attend this year it was, nevertheless, a thoroughly enjoyable occasion. The following list gives the names of some of those who were present this year:- Martin Szaj [61-68]; Rodney Marsh [61-67]; Simon Price-Whittle [62-66]; Keith Huddleston [64-02]; David Morris [61-68]; Chris Szaj [69-73];

**Saturday 27th April 2019: ONs v Academy Matches**

1. **Annual Football Match**

This was an excellent game. The Academy, which has a very good side this year, deservedly won by 5 goals to 2. The match was, as usual, played in an excellent spirit. The following played for the ON team including substitutes:-

Matt Abbott [04-11] Captain; Joe Stubbs [01-09]; Andrew Draper [08-15]; Callum Goodson [01-08]; George Templeman [10-15]; Alex Layer [01-08]; Ross Laird [04-11]; Kunnapich Wood [05-08]; Andy Yeldham [04-11]; Jake Noble [04-11]; Olly Woodcock [ ]; Sam Bushell [05-12]

The Society, and especially the Secretary, are most grateful to Henry Evans and Matt Abbott for all the help in organising the ON Football team which they have done now several years. Henry Evans could not play this year as he is in Denmark continuing with his academic studies. Nevertheless he was still involved in helping to get the ON Team together.
2. Annual Cross-Country Match:
The ONs won this match by 66 points to 70 points. The individual winner was again Andrew Mynott [1987-94] for the 11th year in succession in the very good time of 20 minutes and 58 seconds. Lee Gamble and Rick Reynolds must again be thanked for all his efforts in helping to organise the Cross Country Match. The following ran for the ON team; Andrew Mynott [87-94]; Colin Almond [Staff]; Sam Higginson [05-12]; Howard Steed [72-79]; George Stowell [76-83]; Peter Beatty [66-72]; Adrian Day [69-76]; Leon Bozenau [08-15]; Paul Melasrane [92-99]; Lee Gamble [staff]; Rick Reynolds [93-12] and Graham Harding [69-73], Graham Harding was awarded the “The Old Buggers Cup” being the oldest ON in the race who had not won it before.

3. Annual Men’s Hockey Match:
The ONs fielded a good team and deservedly won this match by 3 goals to nil. The following played for the ON team [including substitutes]:- Edward Doust [09-14]; Matthew Chandler [02-09]; Michael Wheelhouse [09-16]; Neil Orr [12-17]; Sam Bushnell [12-17]; Alex Newitt [11-16]; Spencer Hill [09-16]; Josh Totty [96-03]; Julian Cinque [02-07]; Matthew Patmore [05-12]; Alex Shutes [01-08]; Jack Moules [00-07]; Max Bohannon [05-10]; Spencer Hill [09-16]; James Barker [10-17]; Dean Birch [01-08]

4. Annual Woman’s Hockey Match
The ONs fielded a very strong women’s team and won the match by 11 goals to 2. The following played for the ON team [including substitutes]:- Lisa Dunlop [staff]; Suzanne Holmes [01-08]; Fiona Holmes [04-09]; Vicki Hill [11-18]; Sophie Thom [02-09]; Leanna King [03-10]; Natasha Cox [04-11] Natalie Chandler [05-12]; Georgiana Coote [05-12]; Olivia Potter [05-10]; Georgiana Bozianu [10-17]; Rebecca Dale [11-18]; Maddy Newitt [13-16]

There were more spectators than ever before [Parents, ONs and Staff] who came to watch these matches. There must have been well over 200 people in total present if those involved in the various matches are included in the overall numbers. It was a highly successful morning which was thoroughly enjoyed by all who were present or took part. After the matches refreshments were served in the Hockey Club house as usual. All the matches were played in the very best sporting manner

5 Annual Mixed Hockey Match [23-6-19]: This match was evenly balanced and both sides played well. The ONs won because they took most of their chances to score whereas the Academy team failed to convert all their good chances into goals. The final score was 7 goals to 3. The following played for the ONs including substitutes:- Katherine Langridge [02-09]; Suzanne Holmes [01-08]; Rebecca Hill [07-14]; Spencer Hill [09-16]; Ed Doust [09-14]; Dean Birch [01-08]; Freddie Colclough [12-17]; Molly Bushnell [07-14]; Sam Bushnell [10-17]; James Barker [10-17]; George Toynton [05-12]; Kate McGeorge [10-17]; Vicky Hill [10-17]

6 Netball Match [23-6-19]: This is an innovation in the ONs v Academy Annual Matches. This first game took place after the Mixed Hockey Match. Netball is currently a strong game at the Academy and has been part of the sporting activities for several years. It was therefore possible for the ONs to get a team together. The game was very evenly balanced, so much so that the final score was a tie with each side scoring 33 goals. The following played for the ONs including substitutes:- Vicky Hill [10-17]; Rebecca Hill [07-14]; Kate McGeorge [10-17]; Sam Todd [04-]; Hollie Bullett Felicity Ford [09-16]; Sam Lloyd [09-16]; Maddie Peck [10-17]; Molly Bushnell [07-14]

7. Annual Cricket Match [23-6-19]: It was most unfortunate that this match had to be cancelled due to the ONs not being able to get a team together this year. Several ONs who have played regularly over the past few years were unable to play this year. The Committee reluctantly decided to call off the match with just 10 days to go only four players had put their names forward in spite of the very best efforts of various members of the Society. Every effort will be made and make sure the game does take place next year.

Prints of the Academy and Notelets
In 1988 Martin Tomlinson [64-69] produced a limited number of copies of a pencil sketch of the Academy for the 400th Anniversary appeal. All of these were sold very quickly. At the instigation of the Committee, Martin [who was President of the Society in 2013/14] agreed to produce another such sketch. He has written the following about this :  
As a reminder of your days at the Academy, you can now buy a limited edition print of a pencil etching which I was pleased to be commissioned to do. The A4 print is mounted on a hand-cut mount and is limited to just 250 individually signed and numbered prints. Strictly sold on a first come first served basis the cost is just £19.00 each including postage and packaging. In addition,
You can buy a set of 10 printed notelets [with envelopes] which feature the drawing. These cost £8.00 per set of 10 which includes postage and packaging.

If you wish to purchase either the prints or notelets please complete the pro-forma on page 8. Please send your order to Martin Tomlinson. His address is given at the bottom of the pro-forma.

Up-dated history of the school: There are still copies of this available. The cost is £7.50 to include postage and packaging. Without postage and packaging the cost of a copy is £5.00. If you wish to purchase a copy please write to the ON Society Secretary at the Academy [see address above].

O.N. Society 100 Club
This year [2019], as last year, 190 membership 100-Club tickets have been sold and so the prize structure will be the same as in 2018:- the March and October prizes are 1st £100; 2nd £50; 3rd £40; 4th £30. For the other 10 Months the prizes are :- 1st £30; 2nd £25; 3rd £20.

The Committee is sincerely grateful to all those ONs who have become members this year. Their memberships will enable the Society to support the Academy in various ways and also help to keep the Society’s finances on a sound footing. It should be pointed out that the 100 Club, which has been running since 1992, is the main source of income for the Society and so it is most important to ensure it continues to thrive.

Deaths: The following deaths have been reported to the Secretary since the last newsletter.
Peter Steggall [32-36]; Maurice Hampson [40-45]; Alf Bush [41-49]; Clifford Chalk [46-51]; Tony Pike [47-48]; Charles Melville [65-72]

Peter Steggall entered Newport in 1932 from Fawbert and Barnards School, Harlow where his father was the Railway Station Master. On leaving school in 1936 he worked for Barclays Bank in London. He served in the RAF during WW2 spending most of his wartime service in Italy and the Middle East. After the war he continued to work for Barclays for some years before taking up a position in the Planning Department of Essex County Council and so moved to Chelmsford. After some years with Essex CC, in order to be close to his elderly parents, he took a similar position with Suffolk County Council in Ipswich where he remained until he retired. He eventually returned to Chelmsford to be near his family.
Peter Steggall had a number of interests including bird watching, sailing, cycling and walking. In his later years he often attended the ONs v Academy Football, Hockey and Cross Country Matches when he used to arrive early and walk round the Cross Country Course before the race took place. He also enjoyed writing and published two books.

He was a long-time member and great supporter of the Old Newportonian Society. He died on 12th November 2018 aged 97.

**Maurice Hampson:** Maurice Hampson entered the Academy in 1940 from Newport Primary School. After National Service in the RAF in 1949 he began working for the GPO [General Post Office] as an engineer in Bishop’s Stortford. After some years he went to work at the GPO Training College in Staffordshire before moving to Bedfordshire where he became a Board Member of the Local BT Bedford area Board. On retiring in 1987 he travelled widely going to America, Canada, Australia and New Zealand. He died on 5th January 2019.

He had two elder brothers both of whom attended Newport:-

SAG Hampson [36-41] and KC Hampson [38-43]. All three brothers were long-time members of the Society

**Alf Bush** entered Newport from Debden Primary School in 1941. He successfully completed his School Certificate in 1946 and Higher School Certificate in 1949. He was appointed Senior Prefect in his final year. After National Service in the RAF he attended the Teacher Training College of St Mark and St John. He then taught for 9 years in Primary and Secondary Schools and in Adult Education. On being awarded an LLB at London University and obtaining a qualification in Educational Administration and Management he took up a post of Deputy Borough Education Officer for Hornsey and Barnet. After three years in this position he was appointed Deputy Chief Education Officer for Barking eventually becoming Chief Education Officer. He retired to Oakham in Rutland where he died on 9th March 2019.

Alf Bush was a long-time member and great supporter of the Old Newportonian Society. He umpired the Annual ONs v Academy Cricket Match every year from 1948 until 1972.

**Clifford Chalk** entered Newport in 1946 from Netteswell Primary School, Harlow. Along with many former students he engraved his initials [CC] in the red brick work on the front of the Nesfield Building [A Block]. He was a member of the choir. He left the school in 1951. He died on 7th February 2019, his 84th Birthday.

**Tony Pike** transferred to Newport from Cheshunt Grammar School in 1947 when he was 13. He left after one year. He had many jobs before becoming a successful hotelier in Ibiza where a number of pop stars of the 80s and 90s stayed. He died on February 22nd 2019. Such was his reputation as the flamboyant hotel owner where pop stars stayed that there was a detailed obituary in the Times Newspaper on Tuesday 12th March 2019.

**Charles Melville** came to Newport from Hatfield Heath Primary School in 1965. On leaving the school in 1972 he became a blacksmith. In due course he moved to Edinburgh where he died in February 2019.

**Newport Parents and Friends Association [NPA]:**

Following the success of the Grand Ball last year to mark the 430th Anniversary of the Founding of the Academy, which raised £7000 and at which the Society sponsored three tables the NPA are organising another Ball this year to raise funds for the Academy, especially the IT Department which is in desperate need to up-grade its aging computers. It will take place at Parklands [Quendon Hall] on Friday 8th November. Tickets cost £60 each and will include pre-dinner drinks, a three course meal and live music. For details about how to purchase tickets or support this event [e.g. sponsorship, provide raffle prizes, donation] please contact Nicky Davies, Secretary of the NPA via her email address: n.davies2025@btinternet.com
Fund Raising for the Improvement of the Information Technology Facilities at the Academy:

The Academy is embarking on an exercise to raise funds to re-equip and refurbish the IT facilities. The following text is being sent to parents and guardians of all students. Members of our ON community would be welcome to contribute if they would like to do so.

Joyce Frankland Academy has been an educational establishment since 1588. It has a long tradition of delivering high quality teaching and promoting student development in a rural village. Our new motto “Explore, Fulfil and Flourish” reflects our aim to continue with that tradition. Achieving this aim does require substantial funding. However, our budget is very challenging. A significant factor for the 2019/20 educational year is that we will be funded below the National Funding minimum. This is because Essex County Council Education Authority has retained the ability to set its own formulae for distribution of funds and has moved funding from the Schools block to the High Needs block to resolve a deficit in its Special Education Needs budget. As a result our Academy will, in many cases, be able to afford to provide only the essential elements of meeting our curriculum obligations.

As an Academy our aim is to be inclusive rather than exclusive. We do not wish to be making requests for financial assistance on an ongoing basis to parents to enable us to provide aspects of the education of their children for which there is otherwise no budget provision. Our particular current concern is to be able to provide the environment to support the delivery of education in this digital age. Our Information Technology (IT) infrastructure needs to be overhauled and the hardware and software brought up-to-date and given the platform to be the basis for that situation to continue. Our target is to raise £100,000 for this purpose.

This project will have short-term and long-term aims.

In the short term we need to be able to continue to deliver quality education to our students in this technology-driven world, to provide the software support to the administration of the Academy with the standard packages that we run and to operate specialist application tools in areas such as online mental health and career assessment which are essential in managing the wellbeing and development of our students.

In the longer term the hardware and software infrastructure will need to develop and remain current as technology advances. Our computer equipment is at the end of its operational life and the rooms in which it is housed need to be refurbished.

The project will need to be carefully managed to enable current needs to continue to be met while the new and updated infrastructure is implemented.

The 3 computer rooms used by the students contain almost 100 desktop computers. No doubt you will hear that the time taken to access the online facilities is very slow despite the valiant efforts of our IT Support Team.

The Operating System platform is about to reach the end of the period where it is supported with functional and security updates. We can upgrade the Operating System as we have the required licences but the processing capabilities of the machines are not at the level required to run the updated versions.

We have to make the decision to update the operating system software, the hardware on which it runs and replace any application packages that will not operate in this new environment. This is a large and costly undertaking. It is essential if we are to provide the level of computer support to classrooms and the Academy’s administrative functions which are a necessity in this technological age. That is why we are asking for your support in raising the £100,000.

If you would like to contribute it can be done through our “Crowdfunder” Page. Click on the link or search www.crowdfunder.co.uk/joyce-frankland-it-appeal
