E Mail Addresses and Postal Addresses:
As all members of the Society will realise it is very important that the secretary is informed of any change of postal address or email address as soon as possible. It is also important for the secretary to have both an email address and a postal address. If the email address fails then there is a postal address to which the newsletter can be sent. As a result of the special note about email addresses sent with the December 2014 newsletter to all those who at that time received the newsletters by post the secretary is pleased to report that over forty email addresses were sent to him. The committee is most grateful to all those ONs who responded to this special request for email addresses. This means that the newsletters [and any other information] can now be sent by email to well over 700 members. However, there are still some 280 members to whom the newsletters are sent by post. The committee feels sure that there are still some ONs who have an email address but still receive the newsletters by post. Therefore a special separate note about email addresses is included with this newsletter to all those who still receive the newsletters by post.

The Royal Air Force at War, Volunteering for Aircrews

Kevin Dalley [1953-60] who served in the RAF for forty four years has written the following article on some aspects of the history of the RAF and its links to those ONs who served in its ranks in World War Two.

At the start of the Second World War in September 1939, the strength of the regular Royal Air Force comprised 2,600 aircraft and 173,958 officers and airmen. By 1945 its number had grown to 9,300 aircraft and 1,079,835 personnel of which 193,313 were aircrew. Women too played their part; in 1943 the WAAF reached a maximum strength of 181,909, all ranks. The administrative task to recruit officers and other ranks and then to train them for their respective roles was huge. Without storage devices individual records were typed or hand written. Who you were and what you did was on an indexed card and filed - somewhere! The regular air force was quickly expanded by volunteers who flocked to the recruiting offices. Then of course there was a selection process. The decision on how you would be employed was based on aptitude followed by appointment to an appropriate role. The RAF was really a cross section of the community. There were 100 different trades for men and 50 for women. It was very much a tradesman's air force which was first formed on 1st April 1918.
In 1939 there were many drawbacks, and problems lay ahead. For a start, the only front line experience the RAF had was 'peace keeping' duties in the Middle East following those treaties made at the end of the First World War. There was no strategy on how to defeat Hitler and worse than that all of the aircraft in service with Bomber Command were obsolete. To give you a few examples: the Handley Page Hampden was designed in the early 1930s. With a crew of 4 it had a range of 870 miles, and could carry 4000 lbs of bombs; the Armstrong Whitworth Whitley first flew in 1934 and suffered huge losses. With a slab sided fuselage and jutting nose it was slow, poorly defended and the engines were prone to icing. Crews referred to it (without amusement) as the flying coffin. The Vickers Wellington had similar performance figures but with a fuselage designed by Barnes Wallis it could take enormous punishment when attacked. It remained in service with Bomber Command until 1943. All of these aircraft lacked navigation aids (because none existed), were slow, almost defenceless, had unreliable radios, no heating and without armour plating. Losses were high and morale among aircrew was low.

Four engine bombers were on the drawing boards but the first of these, the Short Stirling, the first of its type in the world, would not become operational until February 1941. When it did, design problems were exposed. Fully laden, it could not get airborne from a 6000 ft runway (which was the longest anywhere). It had a low operational ceiling and was therefore vulnerable to enemy fighters and FLAK. The Stirling was not a success and eventually withdrawn from front line operations. The Halifax and Lancaster followed, both in the nick of time to take the war to Germany. War always speeds the development of technology. In 1939 crews relied on ASTRO shots taken by a sextant, of the sun by day and the stars by night to obtain a fix. The only way to plot a course was by dead reckoning which required precision flight instruments, accurate flying and knowing the direction and speed of the wind at altitude. For various reasons the first two were frequently impossible in 1939 and forecasting upper winds did not exist. However, the rapid development of sophisticated navigation aids was phenomenal. The Handley Page Halifax entered the war in 1941 followed quickly by the Avro Lancaster. In every way both types were exceptional aircraft although Air Marshal Harris, Commander in Chief of Bomber Command, clearly favoured the Lancaster, described by several historians as the most successful and justly most famous aircraft of the Second World War. Indeed its impact was so great and the job it had to do was so important that by May 1945, 56 squadrons had been equipped with this sturdy and effective bomber. The Spitfire saved us in 1940 but the Lancaster brought us victory, although its designer Roy Chadwick, who also designed the Vulcan by the way, never received the credit. Powered by 4 Merlin engines and packed with advanced electronics it was an immediate success. It could also adequately defend itself. Seven thousand three hundred were built and over 3800 were lost on operations or in flying accidents. Bomber Command successes came at a heavy price.

So, crews of four now became crews of 6 and sometimes 8. Only the best recruits would be selected for training as pilots and navigators and every commander wanted the best. In his book Dresden and the Heavy Bombers, published in 2005, Frank Musgrove with his keen sociologist's eye summed up the character type who predominated in Bomber Command.

'They were mostly born between 1912 and 1922; the oldest would be about 27 and the youngest about 17 when the war began. They were rigorously tested by the RAF but they were all in the first instance self- selected. They were of high intelligence and in very good physical shape. In fact they were, for the most part, the eleven plus scholarship boys, the 10 or 12 percent of their age group who had passed their exams and entered the state secondary grammar schools. They were diligent, highly conscientious and inwardly motivated. They could be relied upon to do their homework and were seldom a discipline problem. They were a new meritocratic elite, the product of a first rate system of secondary school education, humane and broadly based. The challenge called for great technical skill and quick intelligence as well as high courage. As pilots and navigators they were tailor made for the job. They were often afraid and reluctant to carry on, but the vast majority did.

On the screen in the Memorial Hall are the names of past scholars who fought and perished in the First World War. Malcolm White has researched their background and this may be found on the ON website. The Roll of Honour for 1939-1945 identifies 34 personnel of which 21 were RAF who died on active service and Malcolm has published his findings. They gave their lives for their country but in this article we may reflect on the bravery and skill of one man: Wing Commander J H (Jimmy) Marks DSO*, DFC. He was born in 1918. Tall and fair haired he excelled at sport. He joined the RAF on
9th May 1937 and trained as a pilot. His wartime service started with 77 Sqn flying the Whitley and he was awarded the Distinguished Service Order in 1941 with the bar added in August 1942. When the Pathfinder Force was formed on 14th August that year, he was appointed Squadron Commander of 35 sqn flying Halifaxes based at Graveley near Huntingdon. His aircraft was shot down on 19th September 1942 and crashed at Blesme, 7 miles east of Vitry le Francois in France. Three of his crew baled out and survived. Jim Marks, aged 23 yrs, and 2 other crew members were killed. He was buried at Choloy war cemetery in France, grave 2A C7. Later in the war, 35 sqn was re equipped with the Lancaster.

Sqn Ldr Kevin Dalley RAF (Rtd) 1960-2004

School 1953-60

Forthcoming Events

1. Saturday 3rd October 2015: 18.00 Annual General Meeting at the Academy in room A4 [off the corridor opposite the main hall]. Please note that the AGM will start promptly at 18.00.

2. Saturday 3rd October 2015: 19.00 for 19.30: Annual Dinner in the Main Hall at the Academy
   The cost will be £25 per head as last year. The menu is:- Ham Hock Terrine with salad garnish, melba toast and chutney; Steak and Mushroom Pie; Individual Raspberry Pavlova; Cheese Board, Coffee and Tea. Wives and partners are very welcome to attend. As usual no tickets will be issued. All money will be taken on the door on the night. Therefore it is important that all those who complete the pro-forma on page 8 to say they will attend do actually turn up on the night so that the secretary can give accurate numbers to the caterer. It is also important that no one turns up on the night without first informing the secretary of their intention to do so. If you wish to attend, and the committee hope that as many ONs as possible will do so, please complete the attached pro-forma [page 6] and return it to the ON Society Secretary at the Academy as soon as possible but no later than Friday 26th September 2014. In recent years round tables have been used and those of a particular year are put on the same table.

3. Sunday 28th February 2016, 11.00am: Church Service to Commemorate Foundress Day:
   This service has now become an established part of the ON Society calendar. It has always been strongly supported by members of the society, Newport PCC and those who attend St. Mary’s Church in Newport. The vicar of Newport, the Rev. Neil Mcleod is highly supportive of this service and very keen to get current members [staff and pupils] of the Academy involved. Further details will be given in the December newsletter when the date will be confirmed.

4. Saturday 23rd April 2016: Annual Football, Hockey and Cross Country Matches against the Academy:
   The Football Match will start at 10.15am and the Cross Country Match at 11.00 am. The women’s hockey match will start at 9.15am and the men’s hockey match at 10.30 am.

5. Sunday 26th June 2016: 11.00 Annual Mixed Hockey Match v the Academy; 14.00 the Annual Cricket match v the Academy:
   As usual Di Reed will organise the ON Society hockey team. If you would like to take part please make a note in your 2016 diary and let Di Reed know. The cricket match will, as usual be a 40 over per side game with tea between the innings [about 16.30] The date has been changed from the first Sunday in July to the last Sunday in June. Further information about the mixed hockey and cricket matches will be given in the December Newsletter.

Reports and Results

Friday 20th February 2015: Gathering of ONs at the Coach and Horses, Newport
   This was a thoroughly enjoyable occasion although only nine ONs attended. Considerable thought has been given to how numbers at this event can be increased [for many years there was always between 20 and 30 ONs who came]. The committee has discussed other possible dates and venues on more than one occasion but have always felt that the Coach and Horses at Newport is the right venue and that a Friday in February as close to Foundress Day [20th February] as possible is the best time. The
following attended this year:- Jon Dudley, President [61-67]; Martin Szaj [61-68]; Rex Emery [44-51]; Ian Tweed [61-68]; Jim Acker [45-50]; Rodney Marsh [61-67]; Simon Price-Whittle [62-66]; Keith Huddlestone [64-02]; John Attesley [45-50].

**Sunday 22nd March 2015: Church Service to Commemorate Foundress Day:** This was very well supported by ONs as well as the regular attenders at the 11.00am morning service at St. Mary’s Church, Newport. A group of Academy students were very much involved in the service leading the prayers and performing items of music, both singing and instrumental. All agreed that the quality of their performances was excellent. Gordon Farquhar, the Principal of the Academy gave an excellent address in which he extolled the Christian virtues of Dame Joyce Frankland and her great forethought and generosity in founding the School, now the Academy at Newport. He thanked all those who had taken part in the service, especially the Vicar of Newport, the Rev. Neil McLeod whose is a very strong supporter of this service and for the forging of close links between the Church and the Academy.

**Saturday 25th April 2015: ONs v Academy Matches**

1. **Annual Football Match**
   This was an excellent game which the Academy won by three goals to one. The Academy was definitely the better side and fully deserved their win. The match was played in an excellent spirit. The Principal, Gordon Farquhar refereed the match. The following played for the ON team including substitutes:-
   Jake Noble [04-11]; Henry Evans [04-11] Captain; Joe Stubbs [01-09]; Alex Yeldham [04-11]; Jack Culpin [04-11]; Kunnapich Wood; [05-08]; Matt Abbott [04-11]; Kes Dedman [02-09]; Sam Bushall [05-12]; Max Buck [05-12]; Cullum Goodson [01-08]; James Yeldham [2000-07];

2. **Annual Cross-Country Match:**
   The Academy won this match by 72 points to 119 points. The individual winner was again Andrew Mynott [1987-94] in the excellent time of 18 minutes and 52 seconds. Rick Reynolds must be thanked for all his efforts in organising the Cross Country Match. The Academy again awarding medals to the first runner home in each team, Andrew Mynott for the ONs and Harrison Fox for the Academy. The following ran for the ON team;  Andrew Mynott [87-94]; Lee Gamble [Staff]; Colin Almond [Staff]; Adrian Day [69-76]; Rick Reynolds [93-11]; Ian Hilder [71-76]; Emily Hartle [08-13]; George Peasgood [07-14]; Keith Huddlestone [64-02]. Rick Reynolds finally persuaded the Secretary, Keith Huddlestone [now 73] to run in this race which he did completing the course in 43 minutes and 7 seconds and so won the “The Old Buggers Cup” being the oldest ON in the race who had not won it before.

3. **Annual Men’s Hockey Match**
   The ONs were definitely the better side and deservedly won this match by seven goals to four. The following played for the ON team:- Richard Hollidge[96-03]; George Toynton[2005-12]; Billy Phillips-Diggons [06-13]; Josh Totty [95-02]; Rob Hartle[06-13]; Chris Hollidge [98-05]; Rob Falconer [02-07]; Oliver Wickham [01-08]; Edward Doust [07-14]; Julian Cinque [07-14]; Alex Beer [07-14] Oliver Henson [staff].

4. **Annual Woman’s Hockey Match**
   This year the ONs had a strong team and easily won this match by six goals to three. As usual the game was played in an excellent spirit. The following played for the ON team:- Suzanne Holmes [01-08]; Molly Brooks [01-08]; Natasha Cox [04-11]; Kate Langridge [02-09]; Chloe Payne [08-13]; Kate Robinson [07-14]; Millie Bushall [07-14]; Anna Curran; [05-12]; Lily Church [07-14]; Emily Dan [06-13]; Caitlin Phillips-Diggons [07-14]

   There were a lot of spectators [Parents, ONs and Staff] who came to watch these matches. It was a highly successful morning which was thoroughly enjoyed by all who were present or took part. After the matches refreshments were served in the Hockey Clubhouse as usual.

5. **Annual Mixed Hockey Match [28-6-15]:**
   This was an excellent and very close game which the ONs won by six goals to 5 goals. With only 5 minutes left the ONs were losing by one goal but managed to make the greater experience show and scored two goals in the last three minutes to win the game well.
The following played for the ONs Mixed Hockey Team [including substitutes; Lisa Dunlop [Staff]; Richard Hollidge [96-03]; Josh Totty [95-02]; Dan Francis [09-14]; Molly Brooks [01-08]; Lily Church [07-14]; Natalie Chandler [05-12]; Fraser Hill [05-12]; Rebecca Hill [07-14]; Suzanne Holmes [01-08]; Georgianna Coote [05-12]; Marvis Cudjoe [09-13].

6. Annual Cricket Match [28-6-15]
The ONs easily won the cricket match. They batted first and made 276 all out in the 39th of their allotted 40 overs. Tom Sansom scored 100 not out and Billy Powell scored a very fast 41 in the last few overs of the innings. The Academy was all out for 131 in the 21st over of their innings. Alex Yeldham took four wickets for four runs. To their credit the Academy team decided to go all out to try and get the very large total the ONs had set and kept up with the necessary scoring rate throughout their innings. However, in doing so they lost wickets at regular intervals and nobody was able to stay in long enough to get close to the ON score. It must be noted that the Academy first team was under strength as some of its key players were attending a prestigious hockey coaching camp for which they had only recently been selected.
The following played for the ON Cricket Team: Matt Gibson [09-13] Capt; Dave Bentley [Staff]; Rod Thompson [74-81]; Jake Noble [04-11]; Fraser Hill [05-12]; Alex Yeldham [04-11]; Tom Sansom [Staff]; Billy Powell [02-09]; Lee Gamble [Staff]; Gordon Scott [85-06]; Dan Francis [09-14] As usual the main umpire was John Attelsey.
Both the hockey match and the cricket match were played in the very best sporting manner.
The committee are most grateful to those parents who helped with the refreshments on both days of the sporting fixtures between the ONs and the Academy. Thanks must also go to Di Reed for organising the Hockey Matches and especially to Lee Gamble, Dan Grindrod and Donna Anderson of the PE and Games Department at the Academy for their tremendous help, cooperation and support for all the ONs v Academy sporting fixtures. The ONs have this year won the Burgess Cup. They won the all three hockey matches and the cricket match. The Academy won the football and Cross Country matches.

Prints of the Academy and Notelets
In 1988 Martin Tomlinson [64-69] produced a limited number of copies of a pencil sketch of the Academy for the 400th Anniversary appeal. All of these were sold very quickly. At the instigation of the Committee Martin [who was President of the Society last year] agreed to produce another such sketch which can be purchased as well as notelets which have the sketch on them. He has written the following about this.
As a reminder of your days at the Academy, you can now buy a limited edition print of a pencil etching which I was pleased to be commissioned to do. The A4 print is mounted on a hand-cut mount and is limited to just 250 individually signed and numbered prints. Strictly sold on a first come first served basis the cost is just £19.00 each including postage and packaging. In addition, you can buy a set of 10 printed notelets [with envelopes] which feature the drawing. These cost £8.00 per set of 10 which includes postage and packaging.
If you wish to purchase either the prints or notelets please complete the pro-forma on page 8.
Please send your order to Martin Tomlinson. His address is given at the bottom of the pro-forma.

Request from Martin Bodle [1965-71]
Martin Bodle is trying to locate a photograph which was taken in the late 1960s and which appeared in the Sun newspaper when it was a broadsheet and not a tabloid. The photographer was from Fleet Street and asked a number of his year to stand behind Andrea West and raise a cheer when prompted. Former students of this period my recall that there was considerable media interest when Andrea West joined the Sixth Form on the headline of being the first, and at that time the only girl to attend the Academy which since 1588 had been an all boys school. If anyone can recall this photograph or may have a copy Martin Bodle would be pleased to hear from you. His contact details are:-
Email; martinbodle@fourbayz.com  Tel; 01291 641032 and 07973 445303

Former Students tie the knot
Former students of the Academy, Carly Harding [2000-05] and Elliott Meichen [2000-07] were recently married on Saturday 23rd May 2015, at St. Mary’s Church, Saffron Walden. The wonderful ceremony was enhanced by beautiful, enthusiastic singing from the St. Thomas Moore School choir. At the reception which followed the ceremony Graham Harding [69-73], father of the bride and former President of the Society during his speech introduced a song which was sung live by Christopher and Caitlin Harding, Carly’s brother and sister both former students at Newport. This unexpected surprise was much appreciated by all present. Carly and Elliott will live in Saffron Walden.
New Members
Simon Price-Whittle [President 2012-13] gave his usual excellent presentation to the Upper Sixth in May and this provoked a great deal of interest in the Society. Since the last newsletter the following have joined the Society: Daniel Francis [09-14]; Alex Francis [07-14]; Megan Stiles [08-15]; Lydia Michaelides [08-15]; Kristina Cox [07-15]; Jeremiah Baxter [07-12]; Isabelle Smith [08-15]; Toby Jones [08-15]; Sebastian Baxter [03-08]; Alison Baxter [staff]; Jonathan Pearson [84-91]; Martin Bodle [65-71]

O.N. Society 100 Club
The 100-Club has again enjoyed another highly successful year with 227 tickets being sold which is a record. The committee are most grateful to all those members of the society who have contributed to the 100-Club and sincerely thank everyone for their continued magnificent support. As 227 tickets have been sold it is possible to have three prizes for each of 10 months this year and six prizes in both March and October. Over £1000 has been raised from the proceeds of the 100-Club to support the Academy and help run the Society. The funds accrued by the 100-Club have enabled the Society this year to fund the cost of printing copies of the pencil etching of the Academy and the notelets [see the item on this from Martin Tomlinson]. It is hoped sufficient prints and notelets can be sold to recoup the initial outlay. The Society have also been able to provide financial support to enable an outstanding triple jump athlete at the Academy [Adelaide Omitowoju] to take part in the National Schools Athletics Finals in Gateshead this year.

Deaths: The following deaths have been reported to the Secretary since the last newsletter. Keith Braybrooke [44-50]; Frank Brook [37-42] William Bruty [39-44]; John Bull [39-45]; Philip Chalk [41-48]; Eric Este [33-39]; Claude Farr [37-42]; Kenneth Melbourne [40-47]; David Miller [36-41]; Rodney Pegg [41-43]; Ronald Tebbit [34-39]
Keith Braybrooke was the younger brother of Roy Braybrooke [37-43]. He was a proof reader for Hart-Talbot in Saffron Walden and later worked for the Babraham Research Institute near Cambridge. He was a member of the school ATC and excelled at aircraft recognition. He had a passion for aircraft and had a vast collection of notebooks on events and personnel at Debden Aerodrome. Using this knowledge he wrote the history of the aerodrome entitled Wingspan and in recognition of this he was made an honorary member of the U.S. 4th Fighter Group which was stationed at Debden. His other passion was music being both a chorister and pianist. For many years he was the pianist with a group named Harmony Sound. He later played piano for the Cambridge Riverside Band and was often mentioned on Eastern Counties radio in this capacity. He died in December 2014.

Frank Brook entered Newport from the Boys British School in 1937. On leaving the school in 1943 he attended Cambridge Technical College and the Hammersmith School of Building. He eventually joined the building firm of Rooke and Sons in Saffron Walden and became a director. For a number of years he was a District Councillor. He was a very loyal supporter of the Society and was President in 1994/5. He died on 27th February 2015.

William Bruty was the elder brother of Terence Bruty [45-49]. He came to Newport from Hatfield Heath Primary School. He became a member of the Society on leaving the school in 1944. He died on 1st February 2015.

John Barrington Bull entered Newport in 1939 from the Sir John Ellis School in London. He became a school teacher and for a number of years taught at the Helena Romanes School in Dunmow. He died in 2007. The ON Society Secretary has only recently been informed of his death.

Philip Chalk entered Newport in 1941 from Eelsenham Primary School. He was a very good sportsman, being a member of the school 1st eleven cricket team. He was also an excellent musician, playing in the school orchestra. He became Senior Prefect and won an Open Exhibition to Selwyn College, Cambridge where he studied Natural Sciences. He had an outstanding career in medicine becoming a senior Consultant Obstetrician and Gynaecologist at the Royal Free Hospital in London. He died on 4th April 2015.

Eric Este was the younger brother of Albert Este [27-34]. He came to Newport from Great Hallingbury Primary School. He had a most distinguished school and professional career. He was a very fine sportsman and played for the 1st Team at both Football and Cricket. He was senior Athletics Champion in 1937 and 38. After serving as a wireless mechanic with the RAF in WW2 he worked in the Ministry of Defence and eventually attained a very high position in that Ministry. He was a great supporter of the ON Society and became President in 1973/74. In 1983 he took on the huge task of Appeals Director for the Quatercentenary [1988] Appeal to raise funds to build a proper music department at the school. He worked tirelessly in this capacity and to very great effect. The Arts Centre [Music and Drama] at the school are a great testament to Eric Este’s drive, enthusiasm and hard work to ensure that the 400th Anniversary of the school was marked in such a magnificent way. For his tremendous support for the Society and the school over many years he was made an Honorary Life Vice-President of the Society. He died on 28th February 2015.

Claude Farr the elder brother of Charles Farr [1941-43], came to Newport from Broxbourne Primary School in 1937. He left the school in 1942 and farmed with the family farm at Sheering. He died on 23rd December 2001. The ON Society secretary was only informed of his death this year.

Kenneth Melbourne entered Newport in 1940 from the Boys British School, Saffron Walden. He was a very fine musician and played cello in the school orchestra. He became Senior Prefect in his last year at Newport. After National Service in the RAF he went to Birkbeck College and graduated with a degree in Chemistry. He subsequently worked in the Water Industry at the Water Research Centre in Stevenage. He continued his interest in music and for 50 years was lead cellist in the Stevenage Symphony Orchestra. He died on 25th September 2014.

David Miller entered Newport in 1936 from the Boys British School in Saffron Walden. He played football for the first eleven and was a member of the ATC. He served in the Royal Navy in WW2 in motor torpedo-boats and was involved in the D-Day landings. After the war he went into the family bakery and catering business and became involved in local politics. He was a Saffron Walden Town Councillor and District Councillor for many years during which time he was Town Mayor and Chairman of the Uttlesford District Council. He died on 30th June 2015.

Rodney Pegg entered Newport in 1941. On leaving the school in 1943 he started work with the London North Eastern Railways. He did his national service in the Royal Engineers and served in Malaysia and Japan, after which he went back to work for the railway industry. In 1955 he and his family emigrated to Australia and he took a job with Trans Australia Airlines with whom he worked until he retired in 1987. He died on 8th March 2015.

Ronald Tebbitt grew up in Takeley and attended the school from 1934 to 1939. He was a fine sportsman playing cricket and football for the school first elevens. On leaving the school in 1939 he
joined the post office before being called up into the Signal Corps in the Second World War, where he became an officer. After the war his career progressed through the civil service and he retired with the grade of Principal. He had very fond memories of his time at the school and was a loyal supporter of the ON Society for many years. He died on 17th January 2015.

Up-dated history of the school: There are still copies of this available. The cost is £7.50 to include postage and packaging. Without postage and packaging the cost of a copy is £5.00. If you wish to purchase a copy please write to the ON Society Secretary at the Academy [see address above]
